## PLEASE READ CAREFULLY

Greetings

Below you'll find your M.I.T.S. Club Registration Form. You will also find the list of guidelines for all indoor track clubs and scheduled meets. We ask that you read and adhere to them at all M.I.T.S. events to prevent disqualification or dismissal from meets. The meet schedule is currently being formulated; our intent is to have 30+ scheduled meets throughout the entire state. Our first scheduled meet should kick off sometime early January, with the season concluding with the *M.I.T.S. Co-ed Indoor State Championship to be held at the University of Michigan Track and Field Building in Ann Arbor, Michigan* in March 2005. A complete schedule with venue information, along with Championship Qualifying Format will be made available only to paid registered club. Our intent is to have this information finalized before mid/late December. A lot of work has gone into the previous seasons and this year our goal is to seek National Recognition for performances in qualifying meets and the M.I.T.S State Championship. Your help and student participation will assure that goal. We have corrected some of the meet length timing issues at certain sites throughout the state. We hope to see you this winter, remember *always to "Run fast and turn left"*

## M.I.T.S. GUIDELINES

PLEASE READ CAREFULLY

### I. CLUB REGISTRATION

A. No School/Booster Club checks issued will be acceptable for registration or meet entry fees. There will be a \$40.00 charge assessed to returned checks.

B. Club name should not include school name, mascot, or symbol, area named Track Clubs will be accepted. Club name should not contain offensive language.

### II. MEET PARTICIPATION GUIDELINES

A. Do not use school transportation i.e. Bus, Vans.

B. School issued uniforms or running apparel are prohibited, apparel that could be construed as school issued falls into this category. E.g. (If running apparel says Ann Arbor Gabriel Richard, it is easy to assume that the item is school issued). UNIFORMS MUST COVER MIDDRIFT (WAIST AREA).

C. Athletes must use club name when entering events and reporting finishes.

D. All meet entry fees are determined by the Meet Director at each site, the Meet Director reserves the right to dismiss any individual i.e. (athlete, coach, parent, entire club) from their facility in the event of misconduct. Such activity will be reported to the appropriate M.I.T.S. Director and the club will face dismissal from further participation.

E. The jewelry rule and the temporary adornment will be in effect  
i.e. tattoos/jewelry will be disallowed.

F. All relays must have matching tops (not plain white T-shirts), this is relative to all M.I.T.S. meets.

G. Relay splits will be requested, and turned in to Meet Director in order to confirm your relay teams time.

H. No spikes will be allowed at any of the qualifying meets, however spikes will be allowed at the Championship Meet.
